

# STANFORD UNIVERSITY PARKING AND CIRCULATION MAP 2001-2002

Much of Stanford is under construction this year! The parking designations on this map, along with all our conditions and regulations, are subject to change at any time, so make sure to check the signs in the lot before you park.

Many lots are signed only at the entrance. In "shared" lots - i.e., those posted "C/East Residences" - you may park with either permit designated.
