

Lecture #11: Wednesday, 14 February 2018
Topics: Midterm information

Midterm Information

When: Monday, 26 February 2018, 3:00 – 4:20 pm.

Where: The midterm will be held in two locations. The main location is our standard classroom, the NVIDIA Auditorium. The alternate location is Cubberley Auditorium. We'll provide an algorithm for knowing where you should go.

Alternate time: We'll also provide a single alternate midterm time, for those who have a serious and justified conflict with the main time. Details to be announced.

Crib sheet: The midterm is *closed book*. You may, however, bring *one* $8\frac{1}{2}'' \times 11''$ sheet of paper as a crib sheet. Preparing a crib sheet can be a useful study aid, so take time in selecting material for it. You may use both sides of the paper.

Material covered: You are responsible for material covered in lectures, recitations, and problem sets handed out up to and including the Lecture 12, on 21 February 2018. You are also responsible for the material in the corresponding chapters/sections in the textbook (CLRS).

Support: We will supply an old midterm sample. We will also have help sessions in the recitations or separately, the week before the midterm.
